In the comments following part 1 of The Future of the London Bus we saw how controversial just about every single aspect of a London bus can be. Size, style, configuration, means of procurement and many other aspects are hotly debated. Given that these aspects are interrelated it is not entirely surprising that it seems no two people can agree on what the London Bus ideally should be like.

Asphalt and Battery: The future of the London Bus (part 2)

The central board of secondary education (CBSE) had started exams for 10th and 12th standards. The exams have started with the occupational subjects.
