Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some school systems. Ninth grade is often the first school year of high school in the United States, or the last year of middle/junior high school. In some countries Grade 9 is the second year of high school. Students are usually 14–15 years old.

On the enrollment form, you can opt to have your team play three, four, five or more matches per day. If you choose to play three matches, your matches will likely be scheduled in three consecutive time slots, or usually over no more than four time slots, so that your team is making only a half-day commitment.
