Genie (born 1957) is the pseudonym of an American feral child who was a victim of severe abuse, neglect, and social isolation. Her circumstances are prominently recorded in the annals of linguistics and abnormal child psychology. When she was a baby, her father concluded that she was severely mentally retarded, a view which intensified as she got older, causing him to dislike her and withhold ...

Child grooming is befriending and establishing an emotional connection with a child, and sometimes the family, to lower the child's inhibitions with the objective of sexual abuse. Child grooming is also regularly used to lure minors into various illicit businesses such as child trafficking, child prostitution, or the production of child pornography.
