Do We Need Multicultural Counseling Competencies? C. H. Patterson Journal of Mental Health Counseling Volume 26, Number 1, January 2004. Pages 67-73

DO WE NEED MULTICULTURAL COUNSELING COMPETENCIES

Paracetamol, also known as acetaminophen and APAP, is a medication used to treat pain and fever. It is typically used for mild to moderate pain relief. There is mixed evidence for its use to relieve fever in children. It is often sold in combination with other medications, such as in many cold medications. Paracetamol is also used for severe pain, such as cancer pain and pain after surgery, in ...
