INTERCULTURAL COMMUNICATION IN CONTEXTS 6TH

intercultural communication in contexts pdf

Intercultural communication (or cross-cultural communication) is a discipline that studies communication across different cultures and social groups, or how culture affects communication. It describes the wide range of communication processes and problems that naturally appear within an organization or social context made up of individuals from different religious, social, ethnic, and ...

In anthropology, High-context culture and low-context culture is a measure of how explicit the messages exchanged in a culture are, and how important the context is in communication. These concepts were first introduced by the anthropologist Edward T. Hall in his 1976 book *Beyond Culture*. According to Hall, in a low-context culture, the message will be interpreted through just the words ...

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).
