Big other: surveillance capitalism and the prospects of an

"Civilization" can also refer to the culture of a complex society, not just the society itself. Every society, civilization or not, has a specific set of ideas and customs, and a certain set of manufactures and arts that make it unique.

Civilization - Wikipedia

The history of dance is difficult to access because dance does not often leave behind clearly identifiable physical artifacts that last over millennia, such as stone tools, hunting implements or cave paintings. It is not possible to identify with exact precision when dance became part of human culture
