A toast is a ritual in which a drink is taken as an expression of honor or goodwill. The term may be applied to the person or thing so honored, the drink taken, or the verbal expression accompanying the drink. Thus, a person could be "the toast of the evening", for whom someone "proposes a toast" to congratulate and for whom a third person "toasts" in agreement.

The o-ring story is just one layer to the full model, albeit possibly the most important layer. There're other things that matter, such as the USA being founded and still mostly run on Anglo principles (seems good for max GDP per head), the US having never been invaded, having a 100 year head start on South Korea in terms of industrialization.
