Physical Therapy Program < Saint Louis University

Saint Louis University's online Master of Science in Applied Analytics is designed for working professionals for present or future roles that involve analytics.

Applied Analytics, M.S. < Saint Louis University

History. The slug is part of a subset of units known as the gravitational FPS system, one of several such specialized systems of mechanical units developed in the late 19th and the 20th century. Geepound was another name for this unit in early literature.. The name "slug" was coined before 1900 by British physicist Arthur Mason Worthington, but it did not see any significant use until decades ...
