Profile Morskie. The drawing is delivered as a PDF and required to be assembled to make a full set but it's simple to do and I'll have no problem getting my usual copier guy to take it up to my preferred 1/144th scale. There will undoubtedly be much more detail in the books and I will buy it later but I can now start a new hull for minimal outlay.

Profile Morskie has released another dual language book. This one features the IJN Kirishima in 1942. Like their other books this one is rich with detail drawings and rendered views of the ship. The book is dated as 1942, but there are also many historical photos that show the ship at various points in her career.
