This manual contains solutions to every problem in the Algebra 1, Third edition, textbook by John Saxon. Early solutions of problems of a particular type contain every step. Later solutions omit steps considered unnecessary. These solutions are designed to be representative of a student's work. Please keep in mind that many problems will have more than one correct solution.

Homework, or a homework assignment, is a set of tasks assigned to students by their teachers to be completed outside the class. Common homework assignments may include required reading, a writing or typing project, mathematical exercises to be completed, information to be reviewed before a test, or other skills to be practiced. The effect of homework is debated.
