In architecture and decorative art, ornament is a decoration used to embellish parts of a building or object. Large figurative elements such as monumental sculpture and their equivalents in decorative art are excluded from the term; most ornament does not include human figures, and if present they are small compared to the overall scale. Architectural ornament can be carved from stone, wood or ...

In music, ornaments or embellishments are musical flourishes—typically, added notes—that are not essential to carry the overall line of the melody (or harmony), but serve instead to decorate or "ornament" that line (or harmony), provide added interest and variety, and give the performer the opportunity to add expressiveness to a song or piece. Many ornaments are performed as "fast notes ...

Reindeer Christmas Ornament Free Crochet Pattern is the first crochet pattern that I have designed and published on the 3rd December 2012! It was when I was still in a full time job and didn't really think about becoming full time crochet pattern designer (until 2017 when my second baby Maria came to this world).

Been reading about other peoples 4x4 light blinking problems. Well i have c/o the transfer case oil, unplugged three wires on the actuator so if there was any moisture it could dry out,plugged wires back up, i unplugged the battery so everything could reset and my truck will go in 4x4 but after a little while it quits working again.
